

## SSUK PULASTIC® SCORE

The most favourable range of fitness floors for safety, comfort and strength at the level of your choice, depending on the zone's function. Never lose, always SCORE!

## SSUK Pulastic® Score is composed as follows:

- Multifunctional 2 mm top layer provides entry level protection for a wide range of spaces.
- Highly flexible, sealing layer for the rubber base mat, which is designed for multifunctional use.
- High-quality rubber base mat made of recycled material with thicknesses from 4 to 9 mm for a soft and comfortable feeling.
