# SSUK PULASTIC<sup>®</sup> FREESTYLES

The programmable fitness floor with state-of-the-art light technology for the most immersive workouts. Be inspired by the freedom in design and application.  
 Let's get FREESTYLED!

## SSUK Pulastic<sup>®</sup> Freestyled is composed as follows:

- Perfectly coordinated top layers ensure an optimal light experience.
- Cleaning has no effect on the integrated LED lighting because of the seamlessness.
- Professional and safe LED technology is the basis for a long service life and ultimate fitness enjoyment.
- The “BOOST” fitness floor is the solid basis for the FREESTYLED and takes the experience to an even higher level.

Nominal thickness	Flooring type
47 mm	Area elastic
